Afterschool at Steve Luther Elementary
by Build It Workspace

Build It Lego Robotics: Animal Kingdom
Grades 1-3

Swing like a monkey, fly like a bird, or hop like a frog into BUILD IT LEGO Robotics. Whether in zoos, on the farm, or in your own back yard, we all encounter animals in our lives. BUILD IT LEGO Robotics will ignite the creativity of children while they dive into the wonders of the animal kingdom through inventive playful experience building robots.

$105/student

Tuesdays
2:40 pm to 3:40 pm

Class Dates:
4/4, 4/11, 4/18, 4/25, 5/2, 5/9, 5/16

- or -

✉ email **info@buildit.ws** to RSVP. Include the student's name, grade, parent/guardian's name, phone number, and who will pick up your child after class.

*Please have your child turn in the **signed and completed** form below to the instructor on the first day of class.*

Build It Game Design
Grades 4-6

Create your very own video game with characters, environments, and challenges designed by you! Learn fundamental coding concepts with block-based coding tools to animate your game. Incorporate the physical and digital worlds as you play and share your game with others.

Student Release Procedures: Students will be released one-by-one from the classroom, unless otherwise indicated on the signed enrollment form. Parents or guardians picking up students must come to the door so the instructor may release each student to a parent/guardian.

FEE IS NON-REFUNDABLE after the first day of class unless Build It Workspace cancels the program due to the minimum enrollment (10 students) not being met. If your child registers late, misses classes, or withdraws before the end of the session, the full session fees still apply.

Cypress School District neither endorses nor sponsors this organization or activity.
