- or -

✉ email info@buildit.ws
to RSVP. Include the
student's name, grade,
parent/guardian's name,
phone number, and who will
pick up your child after
class.

*Please have your child turn in
the **signed and completed**
form below to the instructor on
the first day of class.*

Questions?
Email info@buildit.ws or
call (714) 947-0800

Build It Minecraft Creations

Grades 1-3

Fee: \$120

Bring the virtual world to life through 3D printing. Explore the same technology and methods used by engineers as you create models of your favorite Minecraft characters. Learn pixel art to build your own unique skin for your 3D model and bring home your one-of-a-kind 3D printed creation.

Build It Lego Robotics

Grades 4-6

Fee: \$105

Anything is possible with Lego Robots! Learn to construct a fully functioning robot using motors, gears, sensors, and other mechanical components. Then, program them with a computer to twist, turn, and traverse through obstacles and challenging mazes.

Student Release Procedures: Students will be released one-by-one from the classroom, unless otherwise indicated on the signed enrollment form. Parents or guardians picking up students must come to the door so the instructor may release each student to a parent/guardian.

FEE IS NON-REFUNDABLE after the first day of class unless Build It Workspace cancels the program due to the minimum enrollment (10 students) not being met. If your child registers late, misses classes, or withdraws before the end of the session, the full session fees still apply.

Cypress School District neither endorses nor sponsors this organization or activity.
