Jr. Robotics: Animal Kingdom
Grades TK – 2nd

Swing like a monkey, fly like a bird, or hop like a frog! Whether in zoos, on the farm, or in your own back yard, we all encounter animals in our lives. Dive into the wonders of the animal kingdom through inventive playful experience building robots.

FEE: $65

Keyboarding & Computer Coding
Grades 3rd – 6th

Give your keyboarding skills a boost so you can type faster and be more productive! Then learn fundamental coding concepts using block-based coding tools to create games, animations, and applications.

FEE: $65

Release Procedures
Students will be released one-by-one from the classroom, unless otherwise indicated on the signed enrollment form. Parents or guardians picking up students must come to the door so the instructor may release each student to the parent/guardian.

FEE IS NON-REFUNDABLE after the first day of class unless Build It Workspace cancels the program due to the minimum enrollment (10 students) not being met. If your child registers late, miss classes, or withdraws before the end of the session, you are still responsible for the full session fees.
